Cusco Peru Tours & Travels By River Explorers

RIVER EXPLORERS is a Cusco-based travel and adventure agency of the inspiration of Boris Rojas Tupayachi who owns and operates **RIVER EXPLORERS E.I.R.L**. Boris Rojas was born and raised in the Sacred Valley – Calca in the region of Cusco.

Having started working within tourism since the age of 12, Boris Rojas has extensive experience in guiding tourists on short as well as long trips all around Peru. Boris Rojas has been leading tours on mountain biking, trekking tours AND cultural trips.

River Rafting has always played a special part of his life. He has more than 25 years of experience working in rafting in Peru, Bolivia, Chile, Argentina, Brazil, Africa and in Europe. He has opened new rivers for commercial rafting in Peru and in South Africa, and also done competitions and won national championships in Peru and in Denmark

RIVER EXPLORERS Information :

RIVER EXPLORERS E.I.R.L. is certified by the Peruvian Ministry of Tourism , the only institution that certifies tour operators in Peru.

For the Inca trail tour operators need a special permit granted by the Peruvian Government Department INC (National Institution of Culture), which is the official entity controlling the access to The Inca Trail and Machu Picchu. RIVER EXPLORERS E.I.R.L. is certified to run any Inca trails available in Peru.

Since 2008 rafting tour operators need to have special certifications to operate rafting tours on rivers around Peru.
